Dear employment officer for Dome Café,

I am writing to express my interest in the part time front of house team member position as advertised on SEEK.com. I am a year 11 student and Coodanup College and I am eager to gain experience in customer service.

Even though I do not yet have any proper work experience, through my Courses in Hospitality and Workplace skills, as well as Barista training, I believe that I have developed important skills and knowledge. Throughout these I have learned how to work in a customer service-based environment within the hospitality sector. I'm proficient in working in a kitchen, making food and drinks, and working in other parts of the café environment.

I am interested in a job at Dome Café due to their values of having a respectful, fun workplace and excellent products. I would love the opportunity to contribute towards such a good work environment.

I am a highly motivated and reliable person with good communication and time management skills and the ability to work with other people and problem solve. My availability is flexible and can work in Afternoons and Weekends. I am excited about the possibility to work with Dome café and gain experience.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to the team. Please contact me at 0491 624 046 and Oliverboardman14@gmail.com
